

Amirhossein Moslemi

MSc Student in Artificial Intelligence and Computer Engineering @ Politecnico di Torino

Current **MSc student** in **Computer Engineering (AI)** at Politecnico di Torino. Passionate about solving complex problems through **data-driven insights** and **intelligent systems**, with a focus on building **scalable and efficient AI solutions** at the intersection of **software engineering** and **advanced analytics**.

EDUCATION

M.Sc. Computer Engineering

Politecnico di Torino 2023 – Present Turin, Italy

- Major: **Artificial Intelligence**

B.Sc. Computer Engineering

Yazd University 2018 – 2022 Yazd, Iran

- Focus: **Software Engineering**

SELECTED PROJECTS

Task Arithmetic Under Bias-Variance Trade-offs

Politecnico di Torino Oct 2024 – Jul 2025

Keywords: *PyTorch, ViT, Deep Learning*

- Developed a **PyTorch framework** to evaluate **task vectors** in **Vision Transformers (ViT)**.
- Analyzed **bias-variance trade-offs** using **open-vocabulary classifiers** for **model optimization**.

Social Budget Application

Politecnico di Torino Jun 2025 – Jul 2025

Keywords: *React.js, Node.js, REST API*

- Built a **full-stack platform** for **participatory budgeting** with **role-based access control (RBAC)**.
- Implemented **dynamic voting mechanisms** and **secure proposal submission systems**.

Ezelectronics E-commerce System

Politecnico di Torino Mar 2024 – Jul 2024

Keywords: *JavaScript, UML, Software Engineering*

- Designed and developed an **inventory management system** for electronics retail stores.
- Integrated features for **customer reviews**, **purchase history**, and **administrative data management**.

EXPERIENCE

Translator & English Teacher

Inlight Academy Jun 2021 – Feb 2022 Isfahan, Iran

- Delivered **English language instruction** and provided **professional translation** services.

SKILLS

Python/Java/JS	React.js/Node.js	Machine Learning	UML/Software Design
PyTorch/Deep Learning	REST APIs/SQL	Data Visualization	Computer Vision (ViT)

LANGUAGES

English Full Professional	Italian Elementary Proficiency	Persian Native
